# PULMONARY FIBROSIS SUPPORT GROUP

FEBRUARY 21<sup>ST</sup> 2019

1:30 PM-3:00 PM

Brown Medicine Building  
375 Wampanoag Trail  
East Providence, RI 02915

We all know pulmonary fibrosis isn't curable (yet anyway!) so what can we do to feel better with what we have?

Keep active! Not only does the body profit but so does the mind.

Join us for a fun afternoon of talking fitness with Kayla from the Lifespan pulmonary rehabilitation program.

Light refreshments provided.

Please RSVP via email by **2/15/19** (RSVP NOT required just helpful to plan refreshments)
